
Title: Blighted Grove

Author: Lord Robb

Blighted Grove
(Trammel/Felucca - 1°
34' South 52° 6' West)

One of the oldest trees
in existence, the ancient
Yew that is tied to Lady
Melisande is twisted and
grotesque. Too powerful
to die in the swampy
ground, as the others of
its kind have, its mighty
roots draw upon blighted
soil to live. The immense
trunk and squat shape
tilts dangerously, with
tangled mud clotted roots
exposed along an entire
third of its perimeter.
The tree leans
precariously but endures,
the poison of its needles
and seeds bringing
agonizing death to wildlife
that wanders too near.
Adventurers enter the
blighted grove by passing
under the exposed roots
of the tree and work
their way along the
downed branches and the
rotted out interior of
the trunk. Every aspect
of the Yew tree is
poisonous and dangerous.
Footing within the tree is
precarious and with every
fall and cut the
character is exposed to
another dose of the
lethal poison.

Roosting in the revolting
branches of the tree are
hideous harpies.
Changelings delight in
tormenting characters,
while Bog Things, Bog
